

Celebrating the impact of our second year

24

24 NFP CEOs from TAS & VIC made up the cohort of this groundbreaking leadership program

NPS of 85

The Net Promoter Score of 85 makes SILA a world-class program*

**A NPS above 80 is considered a world class result*

12

12 of the 24 participating NFPs deliver services across regional, rural and remote areas

Key Goals

Capability Building

Improve the capabilities of organisations, to enhance their ability to deliver better outcomes

Leadership Effectiveness

Enhance the effectiveness of exceptional and diverse for-purpose leaders

Executive Network

Create a strategic network of system-thinking leaders, who can support and guide each other

90%

of participants have enhanced their organisation's capability and culture

100%

of participants agree that they can make a difference in their organisations and across the sector by using what they've learned

95%

of participants have a network of CEOs that they can support and collaborate with

CEOs highlighted four key areas in which their organisations already have or expect to experience positive impacts, including:

Better leadership and management capability

Improved, advocacy, negotiations, and professional interactions with external parties

Enhanced organisational strategy

Higher ambition to pursue new programs that drive systemic change
